

Careers at S&C Electric Canada Ltd.

POSITION: Electrical Engineer – Sales (EIT)
LOCATION: 90 Belfield Rd, Toronto, ON
STATUS: Full Time

Job Summary

We currently have an exciting opportunity for a Electrical Engineer – Sales (EIT). Reporting to the Assistant Manager-Technical Application Support, the successful candidate will work closely with our District Managers and Sales Engineers in creating unique solutions to solve our customers' complex problems in the Power Industry. The ideal candidate is a professional with excellent interpersonal and communication skills and an understanding of the electrical distribution market.

What You Will Do

In this role you will develop knowledge of S&C's products and Power Systems that support the utility market, renewable projects, and Smart-Grids. In addition, the successful candidate will:

- Work closely with S&C District Managers and Sales Engineers in preparing quotations, technical proposals and solutions for customer's applications
- Assist customers with selecting suitable S&C products based on their technical specifications and electrical single-line diagram
- Work with consultant engineers to develop a solution for their application with S&C products and services
- Act as an internal liaison between product engineering, power systems engineering, and the sales department

What We Are Looking For

We are looking for a team player and a self-starter who is passionate about solving problems. In addition, the ideal candidate will have the following skills and qualifications:

- Bachelor's degree in Electrical Engineering or in a similar field
- Coursework in Electrical Power Distribution, Generation, and Transmission
- Proficient in Microsoft Office products
- Ability to comprehend electric schematic drawings and documentation
- Excellent interpersonal, communication, and organization skills
- Ability to manage multiple priorities

How to Apply

If this opportunity interests you, please send a cover letter and resume to:

HR.Canada@sandc.com

We thank all applicants for their interest however, only those those candidates who are selected for an interview will be contacted.
