

# Careers at S&C Electric Canada Ltd.

---

**POSITION:** Project Manager (Engineer)  
**LOCATION:** 90 Belfield Rd, Toronto, ON  
**POSTING#:** HR19-78M  
**STATUS:** Full Time

## Who We Are

---

S&C Electric Company is a global provider of equipment and services for electric power systems. We are a Chicago-based company that designs and manufactures switching and protection products for electric power transmission and distribution. Whether it be through industry shaping or traditional solutions, S&C is dedicated to keeping the lights on for billions of people worldwide.

Come join our team of over 400 members who develop, design, manufacture and support a wide range of solutions and products designed to help keep the lights on! Please see <https://youtu.be/wNblwEfVg6E> for testimonials of current team members on their experience of working at S&C.

## Why Work for S&C Electric Canada Ltd

---

Integrity, enthusiasm, sustained energy. These are the traits that S&C has always looked for and found when seeking people to join our team. S&C supports these qualities with a competitive package of pay and benefits, including:

- Bonus Plan
- Pension Plan
- Flexible Benefit Options
- 3 Weeks' Vacation
- Paid Holiday Shutdown
- Summer Hours
- Seniority Recognition Program
