

Careers at S&C Electric Canada Ltd.

POSITION: Quality Assurance Inspector
STATUS: Full Time
OPENINGS: Afternoon Shift (Monday – Thursday, 4:00 pm – 2:00 am)

Job Summary

Reporting to the Supervisor – Quality Assurance, the successful candidate will be responsible for inspecting and testing S&C products, processes, and providing technical support. The ideal candidate will have excellent communication and organization skills.

What You Will Do

- Inspect and test S&C products in accordance with established specifications, standards, and procedures
- Provide technical support to shop floor manufacturing team members, when required
- Complete quality documentation related to product inspections
- Ensure that product quality meets industry standards and expectations of S&C's customers

What We Are Looking For

- College Diploma in trades or a relevant technical field
- 2 years of experience working in Quality Assurance and performing inspections
- Ability to read and understand electrical and mechanical assembly drawings
- Strong mechanical and electrical aptitude
- Proficient in Microsoft Office products such as Word, Excel, Outlook, and Power Point
- Education or training related to the high voltage industry would be an asset

The successful candidate is a team player with excellent communication and prioritization skills. The QA Inspector must also have an eye for detail with the ability to work independently with minimal supervision. A high degree of attention and concentration is also required as QA Inspectors are required to work around fast-moving mechanical components and are exposed to high and low voltage equipment.

Working Conditions

The working conditions are similar to those that can be found in a manufacturing plant. QA Inspectors are sometimes required to stand for long periods of time to inspect S&C products. QA Inspectors are also required to work with fast-moving mechanical components and are exposed to high and low voltage equipment.

How To Apply

If this opportunity interests you, please send a cover letter and resume to:

HR.Canada@sandc.com

We thank all applicants for their interest however, only those candidates who are selected for an interview will be contacted
